

NOTICE UNDER THE AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Riverside will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Employment: City of Riverside does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA.

Effective Communication: The City of Riverside will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the City of Riverside's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: The City of Riverside will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in the City of Riverside offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of the City of Riverside, should contact the ADA Coordinator at (951)826-5427, TDD (951) 826-5439 as soon as possible but no later than 72 hours before the scheduled event.

The ADA does not require the City of Riverside to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service or activity of the City of Riverside is not accessible to persons with disabilities should be directed to the ADA Coordinator at (951) 826-5427, TDD (951) 826-5439 or mwgordon@riversideca.gov.

The City of Riverside will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable accommodations. In determining what type of auxiliary aid or service is necessary, the City will give consideration to requests of individuals with disabilities.
